Introduction:

At Three Aces Ventures Private Limited, we proudly usher in a new era of metal and mineral solutions, fueled by our steadfast commitment to integrity, transparency, and innovation. Established by a team of accomplished individuals, including alumni from esteemed institutions such as IIT and IIM, and fortified by the wisdom of industry veterans from titans like Vedanta, Hindalco, and Gujarat Foils, our vision is to redefine the landscape of aluminum manufacturing and the trade of metal and non-metal products.

EDUCATION: MBA - IIM ROHTAK

ANUBHAV BHASIN

DIRECTOR: 3 ACES VENTURES LIMITED
EXP: VEDANTA, OFBUSINESS
EDUCATION: MBA - IIT KHADAGPUR

Our Strategic Focus:

- 1. Leadership in Aluminium Manufacturing:** We aspire to lead the aluminum manufacturing domain, offering a comprehensive spectrum of aluminum products in various alloys, sizes, and thicknesses.
- 2. Excellence in Metal and Non-Metal Product Trading:** Besides aluminum, we specialize in aggregating and trading ferrous scrap and operate mining facilities for essential minerals.

Our 8 Guiding Tenets:

TRUST

Trust forms the very foundation of our partnerships

TRANSPARENCY

Transparency is the bedrock of our Operations

TEAM

Our diverse & highly skilled team propels us toward excellence.

COMMITMENT

Our dedication knows no bounds and we aim for nothing less than excellence.

SERVICE

Setting us apart, our unwavering commitment to exceptional customer service.

QUALITY

Quality is non negotiable in our manufacturing process.

DIVERSITY

We offer an extensive array of Aluminium products to meet diverse industry requirements.

CULTURE

Our organizational culture thrives on collaboration, innovation and inclusivity.

Catalog

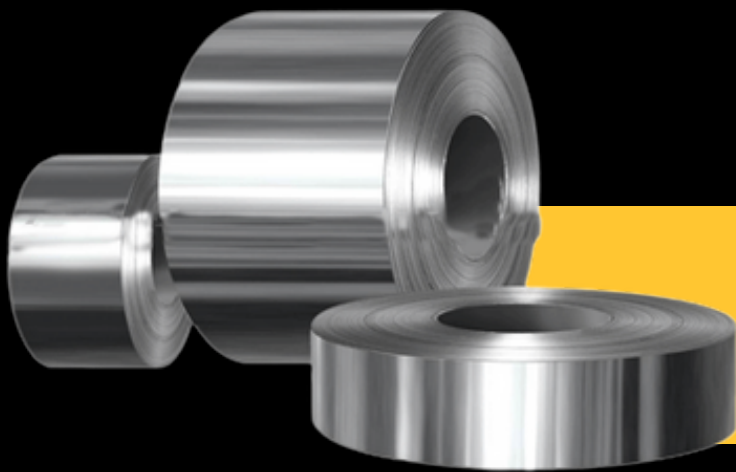

“ We are one of the largest manufacturers of Aluminium Value added products, be it Aluminium coils, foils, sheets, etc. Our inhouse manufacturing allows us to gain maximum control over the quality of the material and that's how we deliver world-class products from our various manufacturing units.

Our reach extends beyond metals. We excel in sourcing and supplying various types of ferrous scrap, including CRC, HMS1, HMS2, LMS, and ELV. Our strategically positioned mining facilities extract high-quality resources such as Silica Ramming Mass, Dolomite, and Quartz, ensuring an uninterrupted supply chain for our clients.

”

Flat Rolled products

Our manufacturing Units are situated across India and can offer one of the best foils at the most competitive rates. Our plants are capable of producing any custom requirement with world class quality.

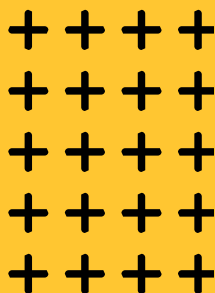

Moreover, we cater to a number of customized flat-rolled products be it coil or foil, we customize your requirement and make quality products.

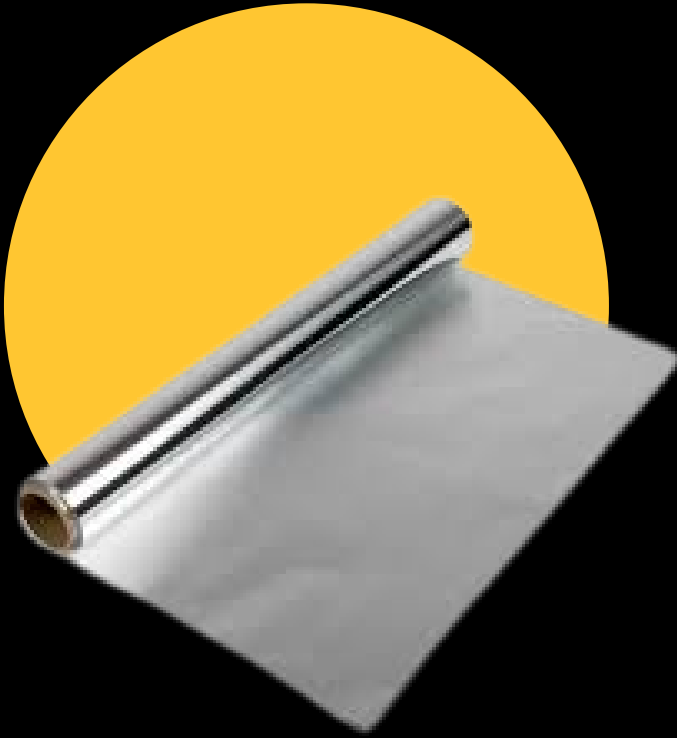

Pharma products

Our pharmaceutical foils are state-of-the-art and generate some of India's highest-quality pharmaceutical packaging products. We are strongly connected with all the leading Pharma companies. Our unmatched service levels and diverse products have been crucial in maintaining this long relationship.

SRC & Home foil

We are the leading manufacturers of house foil and SRC in India. Our products are sold across India and are approved by all the leading home foil companies. We offer the finest sheets for PP caps manufacturing and also sell PP caps directly.

Product portfolio

S no.	Our Diverse Range of Aluminium Products:	Thickness
1	Aluminium Ultra Light Gauge Foils	(6 micron)
2	Aluminium Light Gauge Foils	(9/10 micron)
3	Aluminium Household Foils	(16/18/22 micron)
4	Aluminium Pharma Bare Foils	(20/25/30/35/40 micron)
5	Aluminium Commercial Foils	(30 micron to 100 micron)
6	Aluminium Closure Stock	(0.13mm-0.19mm)
7	Aluminium Commercial Coils	(0.28mm-2mm)
8	Aluminium Commercial Sheets	(0.65-5mm)
9	Aluminium Plates	(6mm-63mm)
10	Aluminium Foil Stock	(300 microns to 500 microns)
11	Aluminium Pharma Laminated Bare Coils	As required
12	Aluminium Pharma Laminated Printed Coils	As required
13	Aluminium Blister Coated Bare Coils	As required
14	Aluminium Blister Coated Printed Coils	As required
15	Aluminium Fin Stock	As required
16	Aluminium Colour Coated Foils	As required
17	SRC Stock	As required
18	Semi Rigid Containers	As required
19	Aluminium Ingot	As required
20	Aluminium Wire Rod	As required
21	Aluminium Alloy Ingot	As required
22	Aluminium Scrap	As required
23	Aluminium Chequered Sheets	As required
24	Aluminium Extrusion	As required

Our manufacturing facilities are strategically located in Ahmedabad, Faridabad, Vadodara, Ankaleshwar, Hyderabad, Indore, and Delhi, ensuring efficient production and nationwide accessibility.

Thank You

In the Realm of Metals and Minerals, Rely on Three Aces Ventures.

Join us on this transformative journey to revolutionize the metals and minerals industry.
